Why do you want to enroll in the Clinic?

Are you fluent (or nearly so) in a language other than English? If so, which language(s), and explain how you gained fluency.

What experiences have you had with immigrants that you feel are relevant to participating in this Clinic?
Do you expect to miss any time from school this semester except for official school holidays (vacation, anticipated surgeries, etc.)? If so, when (how long) and why? As missing time will affect your cae work, it may disqualify you from Clinic participation. Failure to disclose an expected absence may result in a failing grade.

What is your estimated graduation date?

Are you available for an Orientation that will be scheduled, based on the students' and Professor's schedules, during the first week of classes?

What other courses will you be taking during the semester you will be enrolled in the Clinic?

Please list, and explain any other activities inside or outside of law school in which you will be participating during your semester in the Clinic (including, but not limited to, law review, student organizations, volunteering, appointments, etc.)
Will you be working during your semester in the Clinic? If so, where and how many hours weekly?*

Have you ever been convicted of a crime?**

If yes, please give details of the date of conviction, when the crime was committed, and the outcome:

**If your work situation changes between the time you submit this application and the time Clinic begins — e.g., you don’t have a job now but subsequently get one, or you have one now but commit to additional working hours — you are required to inform Prof. Scharf of these details as soon as any change is made; it may impact your eligibility to register for this Clinic.

**We work with DHS-ICE detainees at the Bristol County House of Corrections, which executes clearance checks on everyone entering their facility. It has the discretion to preclude entry of those with a criminal background; this may prevent your participation in this Clinic. If you have this issue, you and Professor Scharf will have a confidential discussion about the details, and come to an appropriate resolution.

PLEASE NOTE THAT FULL AND COMPLETE ANSWERS TO ALL OF THE ABOVE QUESTIONS ARE AN IMPORTANT PART OF YOUR APPLICATION TO JOIN THE CLINIC. FAILURE TO ANSWER THEM WILL PREVENT ADMISSION. IN ADDITION, LESS THAN COMPLETE CANDOR IN YOUR ANSWERS MAY RESULT IN YOU BEING TERMINATED FROM CLINIC PARTICIPATION, IF THESE FACTS BECOME EVIDENT ONCE THE SCHOOL TERM BEGINS.
