Procedure Overview: Law students who wish to take a Leave of Absence from the University must complete and submit the Student Leave of Absence Form with all required signatures indicated to the **Law Enrollment Center**.

Conditions resulting from a Leave of Absence:

- When a **Standard Leave, Medical Leave or Military Leave** occurs during a semester, the class grades are recorded as Ws on the transcript and may impact financial aid, including Satisfactory Academic Progress calculations. The student is not required to apply for readmission to the University or to pay a readmission fee as long as student returns within one calendar year. After one calendar year, the student is subject to the Law School’s readmission procedures.

Impacts of a Leave of Absence:

- **Billing:** A full or partial refund may be possible depending on the student’s last date of attendance and the University Refund Policy. The refund policy is available at <https://www.umassd.edu/law/admissions/financial-aid/policies-forms/tuition-refund-policy/>
- **Financial Aid:** Students who take a Leave of Absence before 60% of the semester is completed will have their federal and state financial aid eligibility recalculated in direct proportion to the length of their enrollment. This recalculation could result in an outstanding balance. For information, visit <https://www.umassd.edu/law/admissions/financial-aid/policies-forms/tuition-refund-policy/>
- **Housing:** If living on campus, student must schedule an appointment with their Resident Director (or RA) to officially check out of the hall and turn in the room key. This will help avoid bills for keys, improper checkout, and room/hall damages. NOTE: All housing charges will remain until the student completes a proper residence hall checkout, which includes return of room key(s), removal of all personal property, and a signed Room Condition Report (RCR). There will be no refund of housing charges after the published “no refund” date in the housing agreement each semester.
- **International Students:** Must arrange to meet with the International Student and Scholar Center BEFORE requesting a Leave of Absence. The Center will explain the impact on VISA status and the process required when returning.
- **Student Employment:** If currently working on campus, a student may NOT continue University employment.

Returning to the University:

- **Leave of Absence:** Students on a Standard or Military Leave may return by sending an email to the Law Enrollment Center at least four weeks prior to the semester of return. Students on a Medical Leave must provide documentation from a therapist to the Counseling Center (emotional health) or a physician to Health Services (physical health) at least four weeks prior to the semester of return. Upon receipt of the document, students will be required to meet with the counseling center to be cleared to return. The final approval for a Medical Leave return is determined by the director of Counseling Center or Health Services. Students on a Leave of Absence who exceed their stipulated time on leave will be considered to have withdrawn and are subject to the Law School’s readmission procedures.
