

**APPLICATION FORM**

**Project Title:** \_\_\_\_\_

**Name:** \_\_\_\_\_

**Title:** \_\_\_\_\_

**Department:** \_\_\_\_\_

**E-mail:** \_\_\_\_\_

**Brief Description of Proposed Project**

Please describe the goals and aims of this pilot project.

Project description continued...

**Brief Description of Intended Future Grant Application (100 words maximum)**

Should this pilot study be successful, please describe the expected use and role of the S Mast Acoustic-Optic Test tank or one of the S Mast seawater labs in a future grant proposal. Be specific about the agency, the funding mechanism, URL for RFP (if available) and the submission date.

**Other Investigators who could utilize this data or whom this project would benefit**

Please list other campus investigators who would utilize data from the proposed pilot project and explain how it would benefit them.

## INFORMATION REQUIRED FOR BUDGET ESTIMATION

### ACOUSTIC-OPTIC TEST TANK:

**Billing Rate:**     Full Day         Half Day

**Life Support:**    Without         With

**Water:**             Seawater        Fresh water

**SPECIAL REQUIREMENTS:** Instruments, environmental, handling, preparation, etc. (*list*):

### SEAWATER LAB:

**Number and size of tanks required and expected duration of experiment (length, dates, etc):**

Tank Size	Tank rental fee (\$/SF/mo)	Quantity Requested	Duration Requested
10'x4' tray (40 sqft)	183.20		
10'x5' tray (50 sqft)	229.00		
10'x6' tray (60 sqft)	274.80		
6' (28.27 sqft)	129.48		
8' (50.27 sqft)	230.24		
10' (78.54 sqft)	359.71		
15' (176.71 sqft)	809.33		
12'x4' tray (48 sqft)	219.84		
12'x8' tray (96 sqft)	439.68		

**Species involved in the experiment:**

---

**List of any specific requirements: temperature (upper/lower limits), resources, etc.:**

**ANY OTHER INFORMATION YOU WISH TO PROVIDE:**

**GUIDANCE:** SMAST core research facilities pilot funding will typically support one week of Acoustic-Optic Test tank usage or one month of the SMAST seawater lab.

**Please attach your biographical sketch to this document and save the entire document as a single PDF. E-mail to: [mmarino@umassd.edu](mailto:mmarino@umassd.edu)**

**Deadline:** Applications can be submitted at any time and are reviewed on an ongoing basis.

**Proposals that fail to meet the requirements, or greatly exceed the guidelines provided, will be returned without review.**
