

Other Equipment and Services

The conference rooms (with the exceptions of SMAST East-209 and SMAST East-142) are equipped with whiteboards. ONLY dry-erase markers are permitted on the boards and are located in the podiums, credenzas, or under the boards depending upon the room. Erase all boards thoroughly at the completion of your meeting and replace all markers and erasers where you found them. If there are not dry erase markers in the room, please see a staff member in the Dean's suite.
