Date

**Objectives:**

1. To attract qualified students to Bristol Community College and University of Massachusetts Dartmouth.
2. To promote and facilitate an efficient transition of transfer students between institutions.
3. To provide specific information and guidelines for transfer students.
4. To encourage academic coordination and cooperation, including curricular reviews, on-site visits, and joint academic advising for students attending Bristol Community College and University of Massachusetts Dartmouth.

**Stipulations:**

1. University of Massachusetts Dartmouth guarantees acceptance of Bristol Community College students who complete the Associate's Degree with an overall GPA of 2.5, as outlined in this document.
2. Transfer students designated above will receive seventy-one transfer credits toward the completion of the baccalaureate degree, of which 52 credits will be accepted as Portfolio credits.

**Mutual Responsibilities:**

1. Both institutions agree to maintain current listings of the course equivalencies. This will be the responsibility of the two designated representatives.
2. Bristol Community College and University of Massachusetts Dartmouth will incorporate a summary of this agreement into official publications and web sites.
3. Bristol Community College and University of Massachusetts Dartmouth agree to encourage qualified students to participate in this program by providing information, advising, and other assistance required to foster a seamless transition from the two-year institution to the four-year institution.

**Review/Revision:**

1. Both institutions will periodically review this agreement. Substantive changes in the courses or program of either institution will require a review of this articulation agreement. Revisions will be implemented with one- year notice prior to termination of the agreement.

Spring 2026

### Articulation Agreement

**Institution: Bristol Community College**

**Transfer Institution: University of Massachusetts Dartmouth**

**Summary of Benefits:**

- Guaranteed acceptance with a minimum G.P.A. of 2.5
- Guaranteed transfer of credits of all courses with a C or better in major courses, C- in all other courses.
- Students transfer with Junior status with regard to financial aid and registration.
