

## Articulation Agreement of Academic Programs

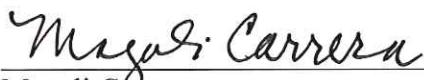

between

### Bunker Hill Community College and UMass Dartmouth

The above institutions hereby enter into an agreement to facilitate the transfer of students enrolled in the Associate's Degree program in Engineering Transfer Option at Bunker Hill Community College into the Bachelor's Degree program in Mechanical Engineering at University of Massachusetts Dartmouth.

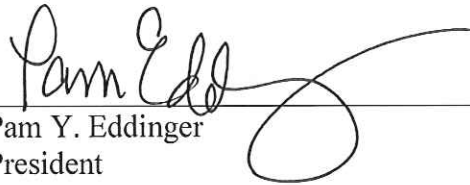

University of Massachusetts, Dartmouth's designated representative will be the Senior Coordinator for New Student Transfer and Bunker Hill Community College's representative will be the Chair of the Department of Engineering and Physical Sciences.

#### UMass Dartmouth Approval

Magali Carrera  
Vice Provost for Academic Affairs

#### Bunker Hill Community College Approval

Pam Y. Eddinger  
President

Ramprasad Balasubramanian  
Interim Dean, College of Engineering

Laurie Kelly McCorry  
Dean of Science, Engineering and Health  
Programs

Sankha Bhowmick  
Chairperson, Mechanical Engineering

JoDe Lavine  
Chair, Department of Engineering and Physical  
Sciences

Date 10/16/17

**Objectives:**

1. To attract qualified students to Bunker Hill Community College and University of Massachusetts, Dartmouth.
2. To promote and facilitate an efficient transition of transfer students between institutions.
3. To provide specific information and guidelines for transfer students.
4. To encourage academic coordination and cooperation, including curricular reviews, on-site visits, and joint academic advising for students attending Bunker Hill Community College

**Stipulations and Guarantees:**

1. University of Massachusetts Dartmouth guarantees acceptance of Bunker Hill Community College students who complete the Engineering Transfer Option with a cumulative GPA of 2.5.
2. Transfer students who complete the prescribed courses as designated in the attached articulation agreement with a C- or better will be guaranteed that fifty eight credits will transfer and be applied to the University of Massachusetts Dartmouth Mechanical Engineering baccalaureate degree.
3. University of Massachusetts Dartmouth guarantees a Massachusetts tuition credit for Bunker Hill Community College students who complete the Engineering Transfer Option with a cumulative GPA of 3.0. The tuition credit is renewable if GPA is maintained at 3.0 or better.

**Mutual Responsibilities:**

1. Both institutions agree to maintain current listings of the course equivalencies. This will be the responsibility of the two designated representatives.
2. Bunker Hill Community College and University of Massachusetts Dartmouth will incorporate a summary of this agreement into official publications and web sites.
3. Bunker Hill Community College and University of Massachusetts Dartmouth agree to encourage qualified students to participate in this program by providing information, advising and other assistance required to foster a seamless transition from the two-year institution to the four-year institution.

**Review/Revision:**

1. Both institutions will periodically review this agreement. Substantive changes in the courses or program of either institution will require a review of this articulation agreement. Revisions will be implemented with one year notice prior to termination of the agreement.

# Articulation Agreement

**Institution: Bunker Hill Community College**

**Date: Fall 2017**

**Transfer Institution: UMASS Dartmouth**

**Summary of Benefits:**

- **Guaranteed Admission with a cumulative GPA of 2.5**
- **Massachusetts tuition credit for students with a cumulative GPA of 3.0 (renewable if GPA is maintained 3.0 or better)**
- **Guaranteed transfer and applicability of 58 credits**

Note: Students who want to be able complete their degree at UMass Dartmouth in two (2) years must complete **UMass Dartmouth's MNE 220 – Engineering Thermodynamics** before transferring. This course is offered during the spring semester and sometimes offered during the summer term. Equivalent courses from other institutions could be substituted but must have prior approval by the department at UMassD. Speak with the Engineering advisor at UMass Dartmouth for more information.

\*Students should speak with the Engineering advisor at UMass Dartmouth about proper selection of Area courses. Ideally you will want to choose courses from the following UMass Dartmouth departments to meet these requirements: ARH, ECO, HST, HUM, MUS, PHL, PSY, SOA, SSE. Use UMass Dartmouth's equivalency database (<https://webapps.umassd.edu/transfers/>) to see how these courses transfer. Do not choose more than one course from a social science area (ECO, PSY, SOA, SSE).

\*\*Chosen as one of your Career Electives.

\*\*\*Course will be used to meet your MNE Science Elective requirement.
