

**Associate of Arts Articulation Agreement between  
Seattle College District  
And  
The University of Massachusetts Dartmouth**

To create a clear and easy pathway for students of the Seattle College District (SCD), consisting of North Seattle College, South Seattle College and Seattle Central College, to transfer to and complete their baccalaureate degree at UMass Dartmouth, this transfer agreement outlines transfer requirements, provisions, and related advertising considerations. This agreement does not guarantee admission to the university or to the specific program/major.

1. Upon completion of the Associate of Arts degree (A.A.) degree at the Seattle Colleges, students will be accepted by UMass Dartmouth at junior status with 90 quarter transfer credits, equating 60 semester transfer credits. Transferring students must have a minimum cumulative grade point average (GPA) of 2.0 or C. Courses numbered lower than 100-level are not included in this transfer agreement.
2. Transfer of more than 90 quarter credits will be considered on a course by course basis up to a total of 120 lower division (100/200 level) quarter credits. Conversely, if a student is looking to transfer prior to completion of the A.A. Degree, credits will also be considered on a course by course basis. Courses with a grade lower than C- or 1.6 will not transfer. UMass Dartmouth maintains a residency requirement of 45 semester credits, with 30 required at the 300/400 level.
3. In completing the degree specified above, students will have met all general education requirements at UMass Dartmouth. The writing intensive and capstone course requirements must be completed within the major requirements.
4. International students who complete ENG 101 and ENG 102 with a grade of 2.0 or higher will have met the English proficiency requirements of UMass Dartmouth, and will not need to submit separate proof of English proficiency at the time of application.

5. SCD and UMass Dartmouth may choose to co-develop written materials outlining for SCD students programs, policies and procedures relevant to this agreement. This agreement will be publicized in newsletters, course schedules and other promotional materials.

This agreement will remain in effect until a mutually agreed-upon change is deemed necessary and may be terminated by the SCD or UMass Dartmouth with appropriate written notification. Each institution agrees to provide termination notice one year prior to intended change.

SCD and UMass Dartmouth officially authorize this agreement on 4

Day of October, 2014, with the agreement becoming effective immediately.
