

GRADUATE THREE MINUTE THESIS COMPETITION

2024 Registration Form

Registrant Agreement

To be eligible a graduate research student must fulfill the following criteria:

- be a currently enrolled Ph.D. or Master's degree student who has formally enrolled for thesis or dissertation research credit;
- not be on leave of absence, lapsed in good standing, completed, or withdrawn;
- have approval of their major advisor to present the research;
- your presentation in the University of Massachusetts Dartmouth Three Minute Thesis Competition 2024 represents your original research;
- prior year winner(s) may participate only if the research is on a different topic than was presented previously;
- you have read and understood the rules and judging criteria;
- you accept the judge's decision is final; and
- University of Massachusetts Dartmouth may photograph, film or broadcast this event.

Student Name: _____ Student ID number: _____

Research Supervisor (s): _____

Title of your presentation: _____

Signature of Student: _____ Date: _____

Research Supervisor

By signing below you agree that the student has completed a substantial portion of their research and has sufficient results to share.

Signature of Advisor: _____ Date: _____

Completed forms for graduate students must be submitted via email to apgradstudies@umassd.edu prior to 5:00 PM on Monday, March 25, 2024.

PLEASE NOTE: We will only have space for 30 participants. In the event that this number is exceeded, preference will be given to those students who are graduating in 2024. Please direct any questions about eligibility or the competition to Graduate Studies (apgradstudies@umassd.edu).

HELPFUL HINT: Your talk should break down into roughly three sections: 1) what you are doing, 2) how you are doing it, and 3) putting into context the significance of your research. See videos of previous UMass Dartmouth competitions here: <https://video.umassd.edu/?q=three>.
