MORE OPPORTUNITIES

Accelerated degrees: Arts & Sciences undergrads are eligible to accelerate their graduate degrees through 4+1 Master’s in Data Science, 4+1 Master’s in Teaching, and 3+3 Juris Doctorate programs.

Pre-Med and Pre-Health: Arts & Sciences majors can work with pre-med/pre-health advisors to pick classes that specifically prepare them for medical school and health professions.

Study STEM: If you’re strong in science, technology, and math, but aren’t sure where to apply your skills to a career, the College of Arts and Sciences has options. Find your niche in biological, chemical, data, or social science, or in the many areas they intersect with mathematics and other majors.

RESOURCES FOR STUDENT SUCCESS

- **Student Transition and Achievement Resource (STAR) Center:** STAR center advisors assist students with academic questions, as well as life and career development. Over 40% of Arts and Sciences students report visiting the STAR Center two times or more during their time at UMass Dartmouth.

- **STEM Learning Lab:** The STEM Learning Lab, home of our resident therapy dog, Gracie, is a tutoring center that aims to support STEM majors through individual and group instruction.
