Attending a National Research University opens a world of exploration and discovery for students. With faculty researching the growing offshore wind industry, the use of enzymes within cranberries to treat cancer, and working with K-12 students to improve their STEM skills, students at UMass Dartmouth have the opportunity to work with world-class faculty researchers and begin their journey into creating impactful research projects.

7,457 total enrollment

5,517 undergraduate

1,940 graduate

95% of graduates are employed or enrolled in graduate studies within six months of graduation

ACCREDITATION

umassd.edu/accreditation
UMass Dartmouth distinguishes itself as a dynamic public research university dedicated to engaged learning and innovative research, resulting in lifelong student success. The university’s story is one of tremendous momentum and continuous expansion. Established in 1895, UMass Dartmouth has evolved from its textile roots into a comprehensive, nationally ranked research university. Ranked second in Massachusetts and 78th nationally for social mobility, UMass Dartmouth is proud to serve as an important engine of opportunity for a diverse and talented student body.

- **1895** - UMass Dartmouth traces its roots to 1895, when the state legislature chartered two textile schools: New Bedford Textile School and the Bradford Durfee Textile School in Fall River.
- **1960** - Southeastern Massachusetts Technological Institute (SMTI) is established. The 710 acre campus in North Dartmouth, part way between New Bedford and Fall River, was established in 1964. The dramatic campus design was the work of architect Paul Rudolph, then dean of Yale’s school of Art and Architecture.
- **1969** - SMTI became Southeastern Massachusetts University (SMU).
- **1991** - SMU enters the UMass System as the University of Massachusetts Dartmouth alongside Amherst, Boston, and Lowell.
- **2016** - UMass Dartmouth is classified as a national, doctoral research university by Carnegie Classification of Institutions of Higher Education.
- **2020** - $134M student housing and dining complex (Balsam, Spruce, and The Grove) opens.

**HISTORY**

**STEM @UMASSD**

UMass Dartmouth offers **48** STEM undergraduate, graduate, and certificate programs across engineering, life science, mathematics, physical science, and technology disciplines.

**MEET GRACIE, OUR STEM LABORATORY LABRADOR**
